CRITERIA
• BU 10 employees shall be eligible for the pay differential based on the below criteria. • Effective July 1, 2024, all BU 10 employees with: - 17 years of state service will be eligible to receive two (2) percent of base salary. - 18 years of state service will be eligible to receive three (3) percent of base salary. • All time spent in state service shall count, as long as the employee is in a Bargaining Unit 10 classification at the time of eligibility for the pay differential. • State service shall be based on qualifying pay periods as follows: - Qualifying pay periods as defined in California Code of Regulations, title 2, sections 599.608 and 599.609. - Qualifying pay periods immediately preceding and following a break(s) in service shall be cumulative. • The above percentages are noncumulative, i.e., an employee who has been in state service for eighteen (18) years is eligible for a pay differential of three percent (3%) above base salary, not the cumulative total of years 17 and 18 years. • The Longevity Pay Differential shall be eliminated upon movement to a classification other than R10, S10, or M10.
